EDUCATION

Ph.D. | Information Science (2018)

École de bibliothéconomie et des sciences de l'information, Université de Montréal

À qui le crédit? Division du travail et du capital dans les collaborations de recherche. [Who gets credit? Division of labor and capital in research collaborations.]

M.S.I. | Information Science (2013)

École de bibliothéconomie et des sciences de l'information, Université de Montréal

Les rétractations et leurs conséquences sur la carrière des coauteurs : analyse bibliométrique des fraudes et des erreurs dans le domaine biomédical. [The Consequences of Retractions on the Career of Co-Authors: A Bibliometric Analysis of Frauds and Errors in Biomedicine.]

B.A.A. | Business Management (2011)

Télé-Université – Université du Québec à Montréal

EMPLOYMENT

Assistant professor

School of Information Management, Faculty of Management, Dalhousie University (2020-

Postdoctoral researcher

Danish Centre for Studies in Research and Research Policy, Faculty of Political Science, Aarhus University (2018-2020)

Centre for Science and Technology Studies, Leiden University (2018)

Sessional lecturer

School of Information Studies, Faculty of Arts, University of Ottawa (2018)

École de bibliothéconomie et des sciences de l'information, Faculté des arts et des sciences, Université de Montréal (2016-2018)

Research assistant

Department of Sociology and Anthropology, Concordia University (2012-2014)

École de bibliothéconomie et des sciences de l'information, Faculté des arts et des sciences, Université de Montréal (2012-2015)

Département d'histoire, Université du Québec à Montréal (2012-2016)

AWARDS AND HONORS

Award for Facilitating Excellence in Student Learning in Exceptional Times (2021). Faculty of Management, Dalhousie University.

Governor General's Academic Gold Medal (2018). Université de Montréal.

Peer Review Award – Top 1% in Field (2018). Publons.

Eugene Garfield Doctoral Dissertation Scholarship (2017), International Society for Scientometrics and Informetrics. 3,000 US\$

Best paper (2017). SIG Metrics, Association for Information Science and Technology.

Student design contest winner (2015). Association for Information Science and Technology.

Best student paper (2017). SIG Metrics, Association for Information Science and Technology.

Best student paper (2016). SIG Metrics, Association for Information Science and Technology.

Best altmetrics paper (2015). SIG Metrics, Association for Information Science and Technology.

Best student paper (2015). SIG Metrics, Association for Information Science and Technology.

Best presentation award (2014). 17e Colloque des cycles supérieurs, Centre interuniversitaire de recherche sur la science et la technologie.

Best poster award (2013). International Society for Scientometrics and Informetrics.

Anne Galler award (2013). Special library Association – Eastern Canada Chapter

RESEARCH

AFFILIATIONS TO RESEARCH GROUPS

Director. Quantitative Science Studies Lab (2020-), School of Information Management, Dalhousie University.

Associate member. Centre interuniversitaire de recherche sur la science et la technologie (CIRST). Université du Québec à Montréal.

Member. Environmental Information Use and Influence (EIUI) research group. School of Information Management and School for Resource and Environment Studies, Dalhousie University.

FUNDING

GRANTS AWARDED

Mongeon, P. (2022-2024). The role of scholarly journals in shaping knowledge: a bibliometric investigation of journal scope and journal fit. SSHRC Insight Development Grant, 44,270\$, Principal investigator.

Westwood, A., Mongeon, P. & Falconer, M. (2022-2024). What constitutes effective knowledge

exchange at the environmental science-policy interface? *SSHRC Partnership Development Grant*, 200,000\$, Co-Principal investigator.

Mongeon, P. & Taylor, S. (2022). Information in society: an open textbook. *Dalhousie University Open Educational Resources Grant*, 7,000\$, Project lead.

Taylor, S. & Mongeon, P. (2022). The Evolution of Teaching Effectiveness: a bibliometric perspective. *Dalhousie University Scholarship or Teaching and Learning Grant*, 3,000\$, Co-Principal investigator.

Mongeon, P., & Sauvé, J.-S. (2021-2022). Briser les silos de recherche : pour l'amélioration des interactions entre les milieux universitaire et professionnel en sciences de l'information. *SSHRC Connection Grant*, 22,500\$, Co-Principal investigator.

Westwood, A. (2021-2022) Interference in science: Documenting scientists' perspectives of their ability to communicate and conduct environmental research in Canada. *SSHRC Partnership Engage Grant*, 25,000\$, Collaborator.

Mongeon, P., Conrad, C., & Cloutier, A. (2020-2021). The mental health crisis in academia: Tracking mental health signals from academics' tweets. *Dean's collaborative research grant, Faculty of Management, Dalhousie University*, 7,500\$, Principal investigator

Westwood, A., & Mongeon, P. (2020-2021). Muzzled no more? Perceptions of Canadian environmental scientists' abilities to communicate and conduct research without interference. *Dean's collaborative research grant, Faculty of Management, Dalhousie University*, 7,500\$, Principal investigator

GRANT APPLICATIONS UNDER REVIEW

Mongeon, P. (2022-2024). Measuring engagement with equality, diversity, inclusion and accessibility in academic research. *SSHRC Explore Grant*, 5,000\$, Principal investigator.

Mongeon, P., Conrad, C., Smit, M., & Wehbe, R. (LOI submitted). Mediating anxiety in exploratory search using 3D information visualization. *NSERC Discovery Horizons Grant*.
